## 4 REASONS YOU NEED THE ENGLISH FOR ACADEMIC PURPOSES COURSE

1. Want to study English to enter Australian colleges and Universities (Diplomas, Bachelors or Master's degree)
2. Build solid foundation skills in reading, writing, listening and speaking
3. Develop critical study skills such as presentation, researching, referencing and note-taking
4. Work on academic projects common at university such as writing essays and book reviews as well as delivering oral presentations.

## 3 REASONS YOU SHOULD JOIN SCOTS ENGLISH FOR ACADEMIC PURPOSES COURSE

1. **Superior Curriculum:** designed by Mr. David Hill – the author of the hugely successful EAP Now! Textbook
2. **Regular assessments and feedback:** Test your reading, writing, speaking and listening on a weekly basis and work on projects throughout the course – discuss your progress with your teacher
3. **Online learning support:** log into SCOTS' Student Portal to review lessons and materials you learned in class with your teacher – revision is key to successful learning.
4. **Pathways:** Gain direct entry into the Australian National Institute of Management and Commerce (IMC) and other Australian colleges upon successful completion.
